

Seattle Reproductive Medicine[®]

A N I N T E G R A M E D[®] A F F I L I A T E

Dear _____,

Welcome to Seattle Reproductive Medicine-Tacoma. We are pleased that you have chosen us for your reproductive health care and would like to share some information regarding your first visit to our new state of the art facility at 3209 S. 23rd Street, Suite 350, Tacoma, WA 98405.

Your appointment is scheduled for _____ at _____. Please check in with the receptionist 20 minutes prior to your scheduled appointment time. We have enclosed a checklist of items for you to prepare prior to your visit. Please have your registration forms completed to make best use of your appointment time. There will be two sets of consents, one for each partner. If this is your first appointment with our physicians, please complete the enclosed medical history form as well. We also ask that you hand-carry x-rays and copies of any pertinent previous medical records to your appointment. Do not have them sent. We have found that when they are sent ahead, they usually do not arrive at our clinic in time for your appointment. Any x-ray films (HSG) are stored at the x-ray facility where the procedure was originally performed.

To begin your visit, you will be brought back by one of our Medical Assistants who will be taking your vital signs and photo for your medical chart. Your physician will then be meeting with you to discuss your specific situation. After the discussion with your physician, you will see the Medical Assistant again and perhaps the nurse for discussion of procedures and tests. To complete your visit, you will stop by and meet with the front desk/financial counselor to discuss payment for your visit and schedule any future appointments. **Payment is expected at the time of service.** The cost of your initial 60 minute consultation will be **approximately \$350.00.** Any tests/procedures done on this day will be **additional.** If you have financial questions, please feel free to call and speak with one of our financial counselors.

Insurance Coverage

In general, insurance companies do not reimburse for "infertility," although related medical conditions may be covered. You will be given a statement in which you may submit to your carrier for reimbursement.

Parking

Free parking is available near the building.

Childcare

The clinic does not provide childcare. In consideration of other patients, we request that you do not bring children with you to your appointments.

Procedures

Procedures such as ultrasounds, male testing and blood draws will be performed on-sight. There may be some procedures such as HSG's, office hysteroscopies and ART procedures that are only performed in our Westlake location.

Canceling or Rescheduling an Appointment

If you need to cancel or reschedule your appointment, please call the clinic at **(253) 272-9250** as soon as possible so that the appointment time can be given to another couple/patient. There will be a "no show" fee for any appointments not cancelled 24 hours in advance.

Confirming Your Appointment

You will receive a reminder call two days prior to your scheduled appointment.

Feedback

We welcome your thoughts and feedback since your experience with us is very important. Please fill out a satisfaction form upon the completion of your visit to let us know how we are doing.

We thank you again for placing your trust in us to provide for your health care needs.
